KIRAC won again already by this reaction.  
Their video trailer seems to be offline already though.

They uploaded two trailers, one with french subtitles and one with english, the later is still up.

"He's very good in bed."  
Shooting went on for six days  
Way to rub it in.

I'm hoping it's just a publicity stunt.

If it's real I'm looking forward to episode 28 – Sued by Houellebecq.

Weird, i wonder what's going on here. If KIRAC is being truthful about how the film came about then surely this lawsuit is a no-go?

If it's slander it might be worth the lawsuit and the settlement just for the marketing. Even if they go to trial there won't be any Depp v. Heard money involved.
