eranam · 10 mo. ago Of all the people to be doged, Houellebecq was not in my expected list... Near perfect execution, gotta say. Had the same reaction as doge on the right.

Narvin-Gainiac OP · 10 mo. ago DDD4 context

RandomGamerFTW · 10 mo. ago Average French movie

Gggsdq · 10 mo. ago Not really, average french film is about a family of racists learning that cultural differences are fine too

Dr_Philmon · 10 mo. ago Whats the name of the movie?

Doctor_Oceanblue · 10 mo. ago This article is awful. By "young women" do they mean like sixteen or twenty-three? I think that's an important distinction

Routine_Bug_936 · 10 mo. ago Nosferatu lookin mf

EllisMatthews8 · 10 mo. ago he still gets laid more than i do

E_Spengler · 10 mo. ago Why is it every meme on this site is either hyper specific or the most mundane thing

FourAntigone · 10 mo. ago A friend of a friend met Houellebecq at a book signing and said he smelled disgusting. Not normal disgusting, like an actual corpse. That makes me feel bad for anyone that has to sleep with him.

Daboormero · 10 mo. ago French movie moment

Alcinado · 10 mo. ago wtf get out of my doge meme houellebecq

ApoX_420 · 10 mo. ago I have le investigated what type of content the whole KIRAC produces and i have no idea wtf am i watching, like i watched some random thing it was supposed to be a porno but they couldn't do much because of political views that it was weird and confusing overall????

aaaaaaaaaaa42 · 10 mo. ago actually met the guys from KIRAC a few weeks ago after they'd just about wrapped work on this project; Houellebecq is weird as fuck but honestly these people struck me as even stranger lol, tried to ask my 16 y-o coworkers if they'd be interested in working on a project with them and spent half their time on a flixbus making softcore porno

Most_Pepper_3008 · 10 mo. ago Unfortunately, as creative as he might be, he is à revolting racist. But doge is looking particularly cool with his scary hair...

Narvin-Gainiac OP · 10 mo. ago · Edited 10 mo. ago DDD4 Calling someone like Houellebecq not "racist" or "islamophobic" without having read one single book of him challenge (impossible)

ccoopersc · 10 mo. ago Lol, not saying he is for sure one way or the other because I've never heard of him before, but it is really funny to go to his wiki after reading this comment and see the second thing it talks about is him being taken to court for inciting racial hatred

Narvin-Gainiac OP · 10 mo. ago DDD4 Was acquitted though? Everyone can sue someone. I'm not sharing the guys political views btw, but he's a great writer

ccoopersc · 10 mo. ago I'm just saying it funny because you normally expect something else there at the top of their article, like paragraphs about their work or something

69CervixDestroyer69 · 10 mo. ago this post proves to me that he's a racist more than anything else lol

Silvadream · 10 mo. ago I read the summary for Platforme and it seems that the "muslim extremists" are actually the heroes.

welp_im_damned · 10 mo. ago The man said the "great replacement theory" is a fact ...

thermitthrowaway · 10 mo. ago Le zut alors est arrivé

ShadowRaven112 · 10 mo. ago A french director filming a 6 hour porn scene for a 1,5 hour movie.

MacMuffington · 10 mo. ago I usually condemn violence unless it gets results

Speedhabit · 10 mo. ago That's high brow
